BA-BA-2000L

- The **Barcelona Bench** includes modern structural supports made of 100% recycled medium-density polyethylene.
- The seat and the backrest can be made of:
 - Recycled plastic lumber profiles.
 - A 12-gauge steel sheet that can include a design or logo using laser cut.
- It's an element of street furniture that in addition offers a comfortable place to rest.
- Since every manufacturing material is resistant to temperature changes and weather conditions like rain, hail, wind, snow, etc., it can be installed in outdoor and indoor environments.
- It requires minimum maintenance to keep it in perfect condition because you only need to clean it once in a while.
- The line measures are 5 ft 10 in. and 9 ft 10 in. long. However, they can be made in other lengths to adjust them for the available spaces for its installation.

USES

The innovative design of the **Barcelona Bench** perfectly harmonizes with esplanades, corporate building rooftops, covered shopping malls, or outdoor areas. And provides a comfortable and beautiful place where people can seat while waiting for someone, to talk or simply rest.

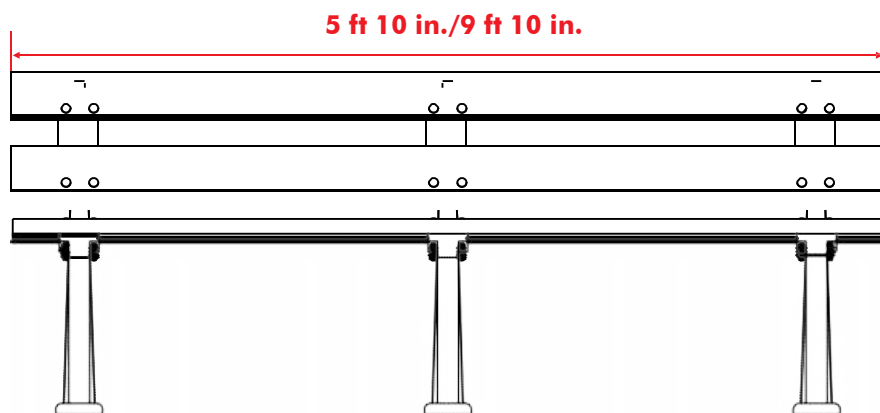

FEATURES

- The modern and simple design of the bench offers an innovative look that matches perfectly with the avant-garde architecture.
- The bench supports are made of 100% recycled medium-density polyethylene.
- The supports, seat, and backrest of the bench are assembled with galvanized nuts and carriage bolts.
- It anchors to the floor with *Ultrafix* screws of 3/8" × 5.85 in. and *Extralarge* polypropylene dowels of 3/4" × 5.46 in.
- The 5 ft 10 in. benches seat up to 4 people comfortably and the 9 ft 10 in. benches seat up to 6 people.
- Since all the manufacturing materials are weather resistant, the **Barcelona Benches** are perfect for outdoor use.
