

COMBINED ASHTRAY AND TRASH RECEPTACLE

CODES: CEN2160P3 / CEN381960P3

DESCRIPTION

Our **CYLINDRICAL** and **HALF-MOON ASHTRAYS** are functional, low-maintenance stainless steel containers.

- High-strength design resists scratches and dents, and the polished mirror surface adds a luxurious touch while promoting a sense of cleanliness
- Made from 22-gauge type 430 stainless steel with electrowelded seams for durability and stability
- A removable lid ensures easy and quick access to the interior, with an additional side opening for convenient waste disposal
- The high-strength plastic base protects both the ashtray and the surface beneath from scratches or stains, even under humid conditions
- Designed to withstand sun, rain, and corrosion
- Features a side opening for waste disposal
- Includes sand. The product is accessible for persons with disabilities

DESIGN & USE

- Designed for both indoor and outdoor use, these ashtrays feature a simple, perfectly cylindrical design and all the benefits of stainless steel
- Perfect for offices, hotel lobbies, residences, hospitals, public plazas, shopping centers, and other spaces where style and efficiency go hand in hand
