

RECYCLE BARCELONA DOUBLE OUTDOOR WASTE CONTAINER

DESCRIPTION

The material of the **RECYCLE BARCELONA** is made of medium-density polyethylene with an 18-gauge metal frame of 2 1/2", a round billet of 1/2", and a tubular base.

- Two cylindrical waste containers.
- A space for a sign or an ad.
- It features double protection against rust and corrosion generated by rain and weather conditions.
- It has resistance to weather conditions.
- The waste containers come attached to the metal frame with a round billet.
- It has two installation options: with a screw plate or with legs for display.
- An optional metallic liner.
- It includes a key-operated lock to prevent robberies.

FUNCTIONALITY

- The **RECYCLE BARCELONA** is ideal for outdoor use.
- Since it's perfect for waste separation and recycling, it helps the environment and keeps public spaces clean.
- It closes by hooking up the waste container to the base support on the bottom.
- You can empty the waste container by opening the lock and tilting it.
