

# FROGGY 50 POLE MOUNT TRASH CAN

## DESCRIPTION

The material of the **FROGGY 50** is medium-density polyethylene through a rotational molding process which gathers higher resistance to daily use.

- UV protection.
- It's resistant to weather conditions.
- The elegant and innovative design of its concave detachable lid avoids water accumulation.
- It has an access key to take out the waste.
- The opening of 3.9 in. prevents the deposit of larger trash bags.
- Detachable trash can.
- It has four installation options: to a wall, embedded in the floor, with a screw plate, or for display (the pole is not included.)

## FUNCTIONALITY

- The **POLE MOUNT TRASH CAN** is ideal for outdoor use.
- It can have one or two trash cans on the same pole or you can turn it into a recycling station of 3, 4, or 5 trash cans.
- It can be attached to street lights, signs, traffic signals, and RHS poles.

## CUSTOMIZATION

According to your needs, it can be labeled with your logo or the type of material it contains.
